Sorry this took so long! I hope you like it

Max skated to Lucas's house quickly. He had called her on the phone, telling her that he was home alone. She had been horny all day, wanting nothing more than to fuck herself on someone's cock. She threw her skateboard onto the lawn and ran up the stairs of the porch, ringing the bell multiple time. Lucas opened the door. She tackled him to the floor, kissing all over his face and lips. Lucas kicked the door closed, holding onto the girl as she made out with him. They pulled away for air. He smiled at his girlfriend, "so this is what you came over for?"

"Nope, I came for something much bigger." She said smirking.

He wanted nothing more than to slam her against the wall and fuck her till she passed out, filling her up with his cum. The two ran to Lucas's room, shutting the door behind them. Max immediately got on the bed. She took off all her clothes quickly, laying on her back. She spread her legs, rubbing her clit and slipping a finger inside of herself. She moaned dramatically, smirking when he got on top of her. "You are not allowed to touch this without permission. It's mine and only mine, you got that slut?" The girl gasped, nodding her head in response.

Lucas smiled as he kissed her. Max fumbled with his zipper, opening his pants. He broke the kiss and slid them off, then took his shirt off. He slipped out of his underwear. Max pouted playfully, "well now this isn't fair, is it?" She was in her dark red lingerie. Lucas licked his lips ripping the set off of her. He kneaded her breasts, loving the way they filled up his hands. "Fuck baby girl."

Max got on knees on the floor as Lucas sat on the edge of the bed. He was stroking his 9 inch dick as she laid her head by his feet. He put on foot on top of her head as she sucked on the other one, holding

her in place. She sucked the big toe first, staring at him while she did so. Lucas moaned softly as she licked in between every toe. He let go of her head, standing his cock up. She sat up on her butt, throwing her feet in his lap. He held them in place, stroking himself with her feet. Max smiled at her boyfriend as he moaned. "Oh god Max." The girl chuckled as she started to move her feet on her own. She went quickly, then slowed down, then went fast again. Lucas was moaning the whole time. He stopped her when he got too close. The boy grabbed her by her hair as he stood up. He placed his hands on either side of her head as he thrust in her mouth. Max held onto his thighs tightly as he thrust at an inhuman pace. She gagged and choked but did nothing to stop him. The boy stopped, pulling himself out of her mouth. Spit was drooling out of her mouth. A string of saliva connected to his cock and her lips before it broke over her breasts and belly. "Open your mouth baby, your getting something special today." He said right before his cock sprayed out a stream of yellow urine. Max swallowed it all hungrily. Lucas grinned as he watched her. He redirected his stream to her breasts, then on her vagina. Max moaned as she brought her hands up to play with her breasts. She rolled her nipple in between her pointer finger and thumb.

After he was finished, he picked her up and threw her on the bed, crawling on top of her and kissing her deeply, savoring his taste. He looked down at his hands that were just inches away from her pussy. He brought his hand back and slapped her hard on her clit. Max moaned out, throwing her head back. He smirked as he put a finger in her, thrusting it in and out as fast as he possibly could. Max cried as she held onto his other arm tightly. He stuck another finger in, smiling at the way her mouth turned into the shape of an 'o'. He sat back on his knees, watching his fingers moving in and out of her. He eased another finger in, loving the way she tightened around his three fingers. "Fuck, you're so tight. How many people have you fucked, huh slut?"

Max just moaned, she wasn't able to respond. Lucas stuck a fourth finger into her, then his thumb, curling his hand into a fist inside of her. Max yelped, moaning as he pushed his whole fist in and out of her slowly. She knew by the time they finished her hole would be the size of a golf ball. Max screamed Lucas's name as she came, squirting

all over him. Lucas just smirked as he watched his arm disappear into her. There was a slight bulge in her stomach that just made him want to split her in two on his cock. He growled, taking his arm out. He leant down, licking at her clit. Max moaned weakly as a small stream of urine sprayed out onto his face. She smiled sheepishly as he look up at her smirking.

Lucas sat up and lined his cock up with her hole. He smiled as he watched it go in. He picked her up, bouncing her carelessly on his dick. Max was holding onto his chest the whole time. She moaned as he began to thrust into her faster than he ever had before. She could feel herself coming again but couldn't process what had just happened. She couldn't tell weather it was urine or cum. Lucas held her tightly to his chest as he came in her. Max was so close to passing out but knew there was more to do. She moaned as he pulled out and moved to her other hole. He licked all around it, sticking his tongue in her tight hole. She moaned as she felt him thrusting it in and out. Lucas smirked, pressing his fingers into her waist. She sighed happily as he kept on licking. The wetness stopped and she felt something bigger go into her tightest hole. She moaned loudly as she realized it was his dick.

Lucas held onto her tightly as he thrusted harshly. His balls kept slapping at her ass and thighs. She moaned as she came again, her whole body going limp. She fell first into the pillows that were now. Lucas smirked, "I think daddy has more for you baby girl," he said as his urine sprayed into her ass. Max moaned, shoving her face deeper into the pillow, if that was even possible. He pulled out and tugged at her now gapping hole, smiling when she shot his urine out back at him. He flipped her around, putting his dick in her mouth again. She immediately bobbed her head, licking all over. Lucas bunched up her hair into a pony tale and slowly thrusted in and out of her mouth. "Yeah baby, lick it clean. You like the taste of your ass on my cock?"

Max nodded as best as she could and brought her hand down to rub circles on her clit. She moaned as Lucas's thrusts got faster and sloppier. She gagged, listening to the wet sounds her mouth made. He groaned as he came, stopping his assault on her mouth. He pulled her up, kissing her on the lips warmly. The two laid on the bed and fell asleep in each others embrace.
